

IT'S TIME FOR...

The Great California SHAKEOUT

Fall Districtwide Emergency Drill
2024

Providing you the opportunity to:

- Implement your Integrated Safe School Plan (**ISSP**)
- Practice the earthquake drill procedures
- Activate your emergency teams
- Debrief with your School Safety Planning Committee following the drill

Planning for your Emergency Drill

- Multi-story schools should incorporate their Evac-Chair into their evacuation process
- Remind the members of each emergency team of their responsibilities
- Check emergency supply bin in advance
- Send home correspondence regarding earthquake preparedness and the Great ShakeOut
- Share District resources with staff
- Submit the Emergency Drill Evaluation within 5 days of the exercise

The Great ShakeOut resources are available at lausd.org/shakeout or via the QR code below!
